

ENLOGIC PDU MOUNTING BRACKETS

Dependent on the model and brand of cabinet in use, a mounting bracket may or may not be required to mount Enlogic PDUs. If bracket is required, the cabinet manufacturer may offer their own solution or alternatively Enlogic offer three types of mounting brackets which are supplied in pairs.

- A) EA9120 Rittal / HP Bracket
- B) EA9121 APC Bracket
- C) EA9122 Universal Bracket (can fit two PDU's Horizontally)

- A) Fitting Rittal / HP Bracket
- B) Fitting APC Bracket
- C) Fitting Universal Bracket
